Dear SDB Church:

Thank you for your partnership in ministry in our network of churches! It is a joy to actively advance God's Kingdom together through His work of leadership development, gospel saturation, church revitalization, and church planting.

We have included with this letter a copy of the 2024 SDB General Conference Budget (which will be discussed at the 2024 Winter Virtual Delegate Forum) and the Statement from SDB Leadership Concerning Racism (delegates at Conference Week 2023 suggested this be sent to every church).

We are inviting the individuals who participate in your congregation into further partnership with the SDB General Conference. Would you please share these opportunities?

1. 2024 Winter Virtual Delegate Forum - January 7, 2024 at 2pm Eastern via Zoom

This is a virtual forum for individuals participating in SDB churches to virtually gather together for the purpose of receiving information from and giving feedback to the SDB General Council and Conference Directors. Registration is required. You can find the registration link and more information @ www.seventhdaybaptist.org/wvdf.

2. Conference Week 2023 Information @ www.seventhdaybaptist.org/conferenceweek2023

3. New or Continued Financial Partnership with the SDB General Conference

The mission of the SDB General Conference is to equip our churches to actively advance God's Kingdom. We have chosen to do this through initiatives in leadership development, gospel saturation, church revitalization, and church planting. We cannot continue great programs like the Emerging Leaders Gathering, The Summit (a SDB Pastor Conference), the Church Planting Funnel, or PULSE without your recurring financial support.

Here are the ways that you can give to the mission of our network of churches:

- **Send a check** made out to
SDB General Conference

- **Online giving** at www.seventhdaybaptist.org/giving.
